

RCCAC Car Show

The Rim Country Classic Auto Show is a celebration. It is a party that we host for our club members, friends and others who share our love of old cars.

As with any party, the objective is for everyone to have a good time, to enjoy ourselves both as show participants and, in doing the work necessary to put on this event. We also seek to develop camaraderie within our club membership and to promote our organization, not only within Payson, but throughout the South West.

Secondarily, as good citizens, we seek to support local charities and the Payson business community. To that end, the Car Show activities and events are selected and developed with the objective of enhancing local business trade while, at the same time, increasing the Car Show proceeds which become our charitable donation.

Success will be measured by:

- + The willingness of our club members to do the work necessary to host the RCCAC Annual Car Show. (Did we all have a good time?)
- + The number of registrations we receive and the desire for automotive enthusiast to participate in our event. (Do they like it?)
- + The support we receive from the Town of Payson and the Payson business community. (Will they continue to sponsor the show?)
- + The number of people from the community who come to the Car Show on Saturday. (Do they enjoy the show?)
- + The amount of money raised and distributed to local charities.
