BEHIND THE WHEEL

PRESIDENT Mary Cailey

Happy New Year Everyone!
 I thought I'd give you an inside look at what I'd like to do this year as President. I'll be resurrecting the "Outstanding Member(s)" awards to be given to those members who have done something 'outstanding' for the members and/or club. I plan on having a guest speaker on a quarterly basis to speak to us about a car-related or safety-related topic for no more than 20 minutes. I will be bringing up vehicle-related laws or new info as it comes up on the news or social media. I may try a new segment called "What's my favorite car?" and ask a member to spend 5 – 10 minutes talking about a car they have or had that was special to them. I am open to suggestions for our monthly meetings so if you have an idea, let me know about it. I'm hoping everyone will be willing to participate in the club in some way this year. I know many of us can't physically do a lot and some of you work and don't have a lot of spare time. But we need someone

(or two) to stand at the sign-in table at our monthly meeting to greet people, especially new people coming in. We don't do a good job of welcoming new people. I'm asking that we take turns greeting the new people and ask them to sit with us at our meetings. I could use help setting up the meeting room before our meetings. We need to open the adjoining room and set up chairs in there for people to sit as well as line up extra chairs along the sides and back. New people should not have to get their own chairs. These are some of my ideas for Club participation. Of course, the car show needs a lot of people in October but there are opportunities for participation throughout the year. Let's work together to make 2024 a great year.
