Newsletter Report:

Margie was not available, however, Steve Fowler requested everyone think about providing highlights of your cars for the newsletter and send to Margie before next meeting.

Car Show Report:

Show T-Shirt color was voted on by members who were at the last "Mike Fish n Chips" gathering in January. It was Mary's decision which cars would be on the T-Shirt and these cars belong to Club members who have done the most for our Club throughout the year. Mary showed the group the nice Navy-blue shirt with the great Car Show logo done by Debbie Schwalm. Planning to add "25th year Anniversary" to front logo on shirt. Mary also suggested a 25 year pin for \$3.00, using our "Beeline on Car Show" logo. The pins will be discussed and a decision made up at the next board meeting in March.

Ken Michael gave updates on car show. Virgil Conrad requested everyone think about who could be approached for \$75 sponsorships and let him know. He is happy to get the information and follow through. A suggestion was made to have a list of existing sponsors on the Club gmail since there is concern for duplicate activities. So far there are 39 registrations + 5 Club member registrations. Mary noted there were few members (23) who had their cars in last year's show and hopes for more participation in 2018. Remember to register, it's only \$20 for members! Printing by George will do our Show printing this year for free. Need volunteers to do Goodie Bags, Tina D. agreed to take this task on. Ken stressed the need to find someone who can do advertising and help get the word out. If anyone knows of anyone to help, please let him know.
