2019 is nearly over, and it has been an exciting and interesting year for the car club. The process we adopted of having club members volunteer to spearhead a monthly activity has proved very successful, and we have had lots of interesting activities. We plan to continue the practice, so be thinking of what you'd like to do next year. Last month's Vets to Lunch was one of those and was a rousing success. Thanks to all who helped, and especially to Sam Schwalm for heading it up.

We also had a very successful car show that has left us with significant funds to donate to deserving charities. We so far have 11 nominations for charities. I will be sending out the list shortly so that you can see if you wish to nominate others. I would like to have them all in by Dec 15<sup>th</sup>, so we can get the info out and have them voted on in our next regular membership meeting, which will be on **JAN 8<sup>th</sup>**- shifted by unanimous decision at the November meeting to not be on New Year's Day. I plan to give each nominator a couple of minutes then to "campaign" for their charity so we can make a more-or-less informed decision. No date has yet been set for the dispersal ceremony.

With winter firmly upon us, 'tis the season to put most of our collector cars into hibernation, so be sure to take the proper precautions to protect them from disuse and the elements in the months to come. We are looking to do activities that go to warmer climes or that are close by so that we may still get to drive our toys a bit if we are so inclined.

I look forward to seeing many of you at the club's Christmas party this coming week and at the planned Christmas Lights tour on the 17th.

**Merry Christmas & Happy New Year!**
