**2020 Car Show Chairman Paul Renaud:** Currently there are some unanswered questions in regard to the car show because of Covid-19. But Plan A is to have a car show. I will check with the Town of Payson after the 4th of July and we will make a decision between July 15th and August 1st. August 1st being the last possible date to decide. As it stands now the TOP is going to have fireworks on the 4th of July but no activities for the kids or vendors onsite. If TOP does not give approval for the car show we do have a Plan B - we could have a massive cruise around and through town and maybe call it the Invade Payson Cruise. At this point Deb Schwalm has sent out a "Save the Date" notice for our 2020 car show.

**From the floor:** On the 4th of July the businesses on Main Street might provide curbside ordering/or serving and attendees could walk down and get food from them. The Concerts in the Park are scheduled but there will be no vendors and social distancing will be required.

**Activities for June:** Wednesday, June 10th cruise and lunch at Finch's Restaurant at Roosevelt Lake Marina. They have indoor/outdoor seating and a great view.
