2020 Car Show Chairman Report: Paul Renaud reported the results of the first planning meeting for the 2020 Car Show which was held on April 23, 2020 at Green Valley Park. Improvements and vacancies were discussed. In the meantime, the 3 members have volunteered for those positions. Depending on how the reopening for the State of Arizona goes we will need to pick a specific date for the show, work on tentative details and possibly meet with the Town of Payson. August would be crunch time for decision making on the 2020 car show. Everyone needs to realize that this show will be different from previous years. The local businesses have been hit financially by the Coronavirus and may have to show their support in a different way changing what we can or cannot do for our local charities. The real point of a show is to have fun and share cars. Tentatively we will post registration forms on our website. Bob Beaudette will look at Big Box Stores for possible donations. Paul held up three t-shirt colors for this year's show and the group chose Autumn. Paul will let Deb Schwalm know so that she can create the shirt design.

April Activity: We had 3 cars that went to the junk yard in Casa Grande. It was 40 acres of cars from the 30's/60's. It was so much fun that we may do it again in the late Fall when it is cooler.

Future Activities: Sue Renaud has Chaparral Pines booked for the Christmas Party. Carl and Judy suggested going to Finches BBQ Restaurant that overlooks Roosevelt Lake. If everyone is interested, she will look into booking it for our June activity.

On Wednesday, the 13th we will be headed to the Dwarf Car Museum owned by Ernie Adams in Maricopa/ AZ/Flat Tire Springs. There is also a gift shop and Barber Shop where anyone can get a haircut. Raceway Bar & Grill is within the same block. Jay Leno and many other celebrities have been there.

Adjourned: 7:00 P.M.
