Steve Fowler: Car Show/No Show instead we are having a Payson Invasion Cruise/Poker Run There will be two cruises and a poker run. We need lots of volunteers to work the poker run. There will be 4 workers more or less per stop and 5 stops. We also need volunteers for the Hospitality Booth, 50/50 Raffle and helpers for the games. Cost for registration will be \$8 prior and \$10 the day of. Tim Deegan is spreading the news to all clubs and interested parties. Carl Curtis and Pat Underwood will head up setup and cleanup. Bob Beaudette will work on getting permission for use of parking lots for show and shine park and eat and Big Lots for the last Poker Run stop. Cruise A will take place at 1:30 under the guidance of John Cailey. Paul Renaud and others have met with Courtney and Caprice from Payson Parks and Rec to get the ball rolling. We have also met with the Chief of Police and his 2nd in Command Lieutenant Jason Hazelo and gave them a heads up about the cruises and let them know that we are not asking for special treatment. Needless to say we will need lots of help, please consider volunteering.

Bob Beaudette: I am in the process of gathering sponsors that will give a 10% discount to all customers who are participants in the Payson Invasion. I still have more places to go to. Home Depot has said no to participating as a Poker Run stop. I am waiting to hear from Big Lots. The Casino will participate under the condition that we set up a table inside. I am giving out 75 posters.
