The cold snap we experienced earlier this week reminds us the winter is right around the corner. We still should have a few weeks of nice weather, but the cold weather is coming soon, and most of our classic cars will get "mothballed" for a while. Remember to give those cars a little love in the form of preventive maintenance before putting them down for the "big sleep".

Since it is nearly Thanksgiving time, a few things I am thankful for- We have had some really fun activities this year, and big kudos need to go to Sue Renaud for being our Activities Director during this strangest of years. I'm grateful to our officers and board members for all their help in making this a smooth running club this year, and I'm especially thankful that they have expressed willingness to continue to serve the club during the coming year, which will allow me to "retire" gracefully to the Past President slot on the board (again). I'd also like to thank all of you as members of the club for just being patient and good sports about all the challenges this year has provided to us.

The "Payson Invasion", our re-imagined car event in light of the pandemic, was a success in that those who participated had a good time and enjoyed themselves, which was our primary goal. We didn't approach it as a money-making event, but we at least came out a little ahead so that we will be positioned to resume having a normal show when life returns to normal.

Meanwhile, I hope each of you is well and doing okay under the present circumstances. Hope to see you soon!

**Happy Thanksgiving from all of us on the board!**

Happy Thanksgiving to all!

# Cruisin Fun!

As you know, the car show turned into the Payson Invasion due to the Covid-19 outbreak that has been taking place. The event consisted of a poker run, show and shine, and two cruises thru town. We had 126 registered cars participating in these events. This all started at the Green Valley Park, where we set up the hospitality booth consisting of t-shirt sales, 50/50 raffle, and silent auction.

The poker run started at 10:00 with participants drawing cards from five different locations. This had the town of Payson being invaded with 126 classic cars and hotrods driving through our streets. Two cruises drove on specific routes and converged on Main Street, ending back to Green Valley Park. It was fun being had by all!! I want to thank the club members who took leadership roles in putting this all together and their team members.

Until next year!

The Car Show Guy, Paul Renaud
