Car Show 2021 Report: *President Paul Renaud We still need a volunteer for Car Show Director. I will be sending out a Committee Volunteer List via email this next week, please volunteer. As of today we have not received approval from the Town for the Car Show.*

Activities Coordinator-Upcoming Club Activities - Sue Renaude

April 2nd - Mike's Fish and Chips/First Friday

April 11th - Phil's Filling Station/Fountain Hill/Car Show

April 16th-18th - Good Guys Car Show/Scottsdale

April 21st - New Movie Night/Tom Jacobson/Deuce of Spades

Tech Tips: *John Cailey shared a trouble shooting story to explain the process of elimination when determining the cause of a malfunction.*

Mary Cailey gave us some great Safety Tips:

- *No longer use the term "accident", referred now as crash or collision.*
- *Do not use your cruise control if the roads are wet, it can cause hydroplaning.*
- *Use 3 points of contact getting in and out of your vehicle, on hand on the steering wheel, one on the door and a foot on the ground before lifting your foot into the car.*
- *Do not drive in the left lane of a 4-lane highway. Signs say, "Stay in the right lane except to pass." It's illegal to pass on the right of a vehicle.*

- *Remember to clean your headlights everytime you clean your windshield, same dirt on your headlights (including snow).*
- *Remember the older we get, the slower our reflexes are, so*
 - *Keep a longer distance between you and the car in front.*
 - *Don't drive when you're tired.*
 - *Don't talk on the phone, text, eat or have other distractions while you are driving.*
 - *Be aware of how the medications you are taking affect your driving.*
- *It's now illegal to be on a hand-held phone while driving, pull over if you need to be on the phone.*
