Anonymous Member Donation: *A letter came to the club P.O. box with \$1400.00 cash in it. The note read - It's been a tough year for everyone; the club, the members, the town and for the charities we donate to. Please accept this to be distributed equally between the 14 charities RCCAC gave to last year. Signed Anaon E. Mouse. Such a wonderful act of kindness!*

Car Show 2021: *We need a director for the October 9, 2021 Car Show. Who would like to volunteer? (no one) It is time to send in an application for the event and reserve Rumsey Park and Green Valley Park. I submitted a \$25.00 application fee and reservation fees of \$65.00 for Green Valley Park and \$40.00 for Rumsey Park. The ball is rolling.*

From the floor: *Dottie requested the next time we do a cruise that we avoid Colcord Road.*

Activities: *Sue Renaud announced activities for February*

First Friday - Mike's Fish and Chips at 4:30 pm

Thursdays - Women on Wheels (WOW) at Bosa at 8:00 am

Sunday Feb 14th - Join us at 11:00 am at Culvers for a Valentine's Day Lunch

Wednesday Feb 24th - Cruise to Camp Verde to Cliff Castle Casino/5 places to eat. Payson members we are meeting at the Home Depot parking lot departing at 10:30. Pine and Strawberry members can meet up with us as we drive through your towns about 10:50 am.

Old/New Business : *Anyone heard anything about Tiny's and when they are opening back up? Barb Underwood said she talked to them recently and they may be opening in April. She will check with them and let the club know. Another option for meetings when it warms up is to meet earlier and outside.*

Tech Info: *I would like to add this item to the agenda. Sharing car issues will help us learn from each other. Pat Underwood - I have been working on my truck for the last 3 years, actually 15 years. I am learning from Gary A. and Steve F. and I didn't realize wiring could be so intimidating. Paul Renaud - While working on Sue's car I realized the headlight plastic adjusters were broken. I soon learned that a matchbook cover only works till you wash your car. I then went to Autozone and Napa, no luck but went to O'Reilly Auto Parts and found heavy duty plastic headlight adjusters. Sun Valley Stereo is a company I would highly recommend, awesome help. Steve Johnson recommended Space Age Paints on South Country Club in Mesa for rubber moldings, fixtures and small attachment parts.*

How bout a laugh? *Larry*

50/50 Raffle: *None*
