There are registration forms up front for anyone who wants to enter their car(s) in the show. Ken Tozi reported the registration numbers, 20 members and 89 public registrations. Burger Burn 111 and pre-sale T-shirts 131. Mary Cailey and Gayle Walgren are in charge of the Hospitality Booth. July 9th SEMA Heber/Overguard

The Two Tims have been going to all the car shows handing out fliers for our show. We went to the Prescott Antique Auto Club show at Watson Lake. The Thunder Over Flagstaff Show on August 28th was a neat show. It was a fly-in drive-in, lots of great cars.

Old Business: None

New Business: Larry asked if the club would like to continue the Christmas bags for seniors and got a positive response. DJ Wells and Shirley Bertram have sponsored the Christmas Care bags for Meals on Wheels in the past. Club members pick out bags with tags, fill them with requested items and can add a few items of their choice and drop off at the Senior Center. For many of the recipients the Christmas Care bag is the only thing they get for Christmas. Larry will bring the bags to the next car meeting.

Want to give you an FYI, I am working on a new project, hoping to get it done in time for our show. It's a 1949 Crosley 4 cylinder, 44 cubic inch overhead cam with 26 horsepower, 5400 RPM and a 517 rear end.

Paul reminded the group that we are gonna need a 'Newsletter Editor Chief' next year.

The rest of the story on John Zillisch's BMW Veritas. The Veritas was shown at the BMW Museum in Greenville for an extended period of time. For the next 5 to 7 years I raced the car at various tracks. Janet and I had a great time traveling to each race track. Such a fun car to drive. I then sold the car to a gentleman in Switzerland for close to \$500,000.00. What a great adventure it was.

50/50 Raffle: Carl Curtis
