BEHIND THE WHEEL

PRESIDENT Paul Renaud

Well, spring is officially here but you wouldn't think so from the cold, rain, and some snow. The future weather outlook looks good so we can get on to some of our upcoming events.

St Patty's day turned out to be a nice event with 27 of our members riding down to Kohls Ranch. It was a crisp day with the sun out, and the corn beef and cabbage was a good choice for that day.

We have some upcoming car shows that Tim will share at the next meeting. With that said, I would like to see us attend some of these shows showing support for other car clubs.

We STILL need a car show chairman for our show in October. Going forward I have submitted all the paperwork the city has asked for but now waiting for approval. My confidence is high that this will be approved. I will be putting together a team to start the Car Show process so look for that in your email. We will need volunteers!!

Hope everyone is doing well and got their shots for covid-19 for those who wanted them.

From club member Tim Deegan:

I have been asked if any of our members would want to volunteer to work at the Goodguys Spring National car show in Scottsdale April 16-18 in exchange for 3 day admission.

We would be helping park cars in the show & shine areas (not general parking), a 4 hour shift on Saturday and another on Sunday - Friday is a free day. Volunteers get a 3 day pass plus free RV parking if staying on site. They love couples so everyone is included, guys & girls.

Get a hold of me at: tcdeegan@gmail.com or call 951-837-8789

I can get more info as we get closer to the event.

Let me know. Tim

THE ENGINE'S STILL RUNNING BUT IT'S KINDA SICK, PARK FOR FIVE MINUTES, IT DROPS AN OIL SLICK; NO MORE ON THE STREET THAN THROUGH THE EXHAUST, IT MUST PASS A SMOG CHECK, NO MATTER THE COST!

IT'S UP WITH THIS BOOGER, ON TOP OF THE RAMPS, THEN OFF WITH THE WIRES, THE LINES AND THE CLAMPS, OFF WITH THE MANIFOLDS, HEADS AND THE PAN, GET RID OF THE PUMP AND PULLEYS AND FAN.

THE WALLS SHOW NO SCORING, THE RIDGES ARE LIGHT, THE RODS AND THE MAINS, UNBLEMISHED AND BRIGHT; ALL ID'S AND OD'S AREN'T TOO FAR FROM *SPEC*, WE CAN GET ONE MORE LIFE FROM THIS *LOVELY WRECK!*

NEW CAMS AND NEW LIFTERS ARE WELL WORTH THE MONEY, WE'LL REPLACE THE CHAIN AND THE GEARS ON THIS *HONEY*, BREAK THE GLAZE, GROOVE THE RINGS, CHECK THE GAPS, RECONDITION THOSE HEADS AND TORQUE UP THE CAPS.

THE HEADS AND EXHAUSTS AND INTAKE ALL SNUG, THE IGNITION HARNESS SPIDERS INTO EACH *JUG*; NOW WOULD YOU BELIEVE, THE *MECHANICS* ARE DONE, WE'VE ADDED THE FLUIDS, THIS BABY WILL RUN!
