BEHIND THE WHEEL

PRESIDENT Paul Renaud

Hello Car Buffs,

It seems the new year is starting like 2020 except for some wild winter weather. Hope all of you are being safe and enjoying the snow we have been getting. The cruise to Ffinch restaurant turned out to be a fun trip from the feedback I got. Unfortunately, Sue and I were not able to attend due to her being exposed to Covid-19. So we did what has been recommended is self-quarantine for 10 days, really no fun. We are working on some events for the next month so keep your eyes peeled for that. We also need someone to head up the Car Show this year being I'll be kind of busy doing Presidential stuff. Our next meeting will be on February 3rd at the senior center on Main Street. I was going to look to see if we could have our meeting outside earlier in the day but it looks like rain. Please plan to attend and suggest wearing a mask. Remember to send your dues by mail or bring them to the club meeting with your form. \$20 per couple or \$15 for a single membership. Forms can be found on the web site or page #4 of this newsletter. The address to mail your dues in is on the form: Stay Warm!

Tina Dychkowski our club treasurer sent the following letter with \$\$ out.

Hello and Happy New Year!

As we all know to 2020 taught us that the adversity we face and the resilience we respond with has the power to shape our lives. With each challenge we are given the opportunity to persevere, learn and grow into stronger, more compassionate and more grateful human beings.

One of these compassionate human beings happens to be a member of The Rim Country Classic Auto Club. Since we were not able to host our annual charity car show which over the last 26 years has provided donations to non profit charities for Payson and surrounding areas. This grateful human has anonymously donated \$1400.00, with instructions to give \$100.00 to each of the 14 charities the club donated to in the Spring of 2020 from the 2019 car show.

Please find your check enclosed.

If you have any questions please feel free to reach out to us.

There's a relationship with a human being, and then there are really special relationships with things that define you. A car can be a truly valuable asset for some of us – and its money worth is not the reason.

These memorable car quotes compiled below come from some of the world's most renowned personalities and cover a wide variety of themes. So, whether thought-provoking sayings about cars are what you need or you are just in search of something humorous.

1. The cars we drive say a lot about us. **Alexandra Paul**
2. When a man opens a car door for his wife, it's either a new car or a new wife. **Prince Philip**
3. The car has become an article of dress without which we feel uncertain, unclad, and incomplete in the urban compound. **Marshall McLuhan**
4. All human males were as fascinated with cars as they were with breasts. **Anita Clenney**

7. With each replacement of parts, a car slowly becomes Chinese. **Mr. Kuniyasu**
8. By the end of the 1950s, American cars were so reliable that their reliability went without saying even in car ads. Thousands of them bear testimony to this today, still running on the roads of Cuba though fueled with nationalized Venezuelan gasoline and maintained with spit and haywire. **P. J. O'Rourke**
9. The best car safety device is a rear-view mirror with a cop in it. **Dudley Moore**
10. I had to stop driving my car for a while... the tires got dizzy. **Steven Wright**
