## BEHIND THE WHEEL

PRESIDENT Paul Renaud

Well time seems to fly by here; we are in the month of May probably wondering where the time has gone. April has been a busy month with the Chrome in the Dome car show, Movie night at Tom Jacobson's garage, and the Payson High school car show. Many club members attended the Chrome in the Dome car show and enjoyed all the classic cars and hotrods. Movie night at Tom's garage was good plus being surrounded by his amazing car collection. The Payson High School car show had a good turn out with some rain despite the weather guy forecasting a 5% chance of rain. If you don't know already we have approval to put on our car show in October. We have some members putting their name in the hat to fill in the various duties for the event. (Thank you)

Don't forget that we have a meeting on Cinco de mayo May 5<sup>th</sup> at the Senior Center. Rumor has it that Tiny's will be open in June so hopefully our next meeting can be held there.

PS. If you have a Tech tip please share at the next meeting

Ladies, HAPPY MOTHER'S DAY!  
Have a Custom day

## OFFICIAL CONVERSION CHART

HOW TO INTERPRET

ANTIQUUE CAR ADS

IF IT SAYS:

IT REALLY MEANS:

Rare model.....	Nobody liked them when new either
Older restoration.....	Can't tell it's been restored
Needs engine work.....	It's been frozen for 30 years
Uses no oil.....	Just throws it out
No rust.....	Body and fenders missing
Rough.....	It's too bad to lie about
One owner.....	Never been able to sell
No time to complete.....	Can't find parts anywhere
Needs interior.....	Seats are gone
Rebuilt engine.....	Has new spark plugs
May run.....	But it never has
Low mileage.....	Third time around
Many new parts.....	Keeps breaking down
29 coats hand-rubbed paint....	Needed that much to cover rust
Clean.....	It sat out in the rain yesterday
Best offer.....	About what I expect to get
Always driven slowly.....	Won't go any faster
Prize winner.....	Hard luck trophy 3 times in a row
Stored 25 years.....	Under a tree
Real show stopper.....	Orange with purple fenders
Easy restoration.....	Parts will come off in your hand
Ready to show.....	Just washed it
Top good.....	Only leaks when it rains
Good investment.....	Can't depreciate any more
