### Activities

- A sign-up sheet was passed around for members to volunteer to plan an activity for a month. This is a way for members to play an active role in the club as well as add variety to our activities. Mary will assist where needed and will send out the "Quickies" to announce the activity.
- A luncheon at "Tonto Rim Bar and Grill" is in the works for this month. We want to keep January's activity close to home in case of bad weather.
- We will plan another outing to Streetside Classics in the spring. They will buy pizzas for us.
- The members were asked if they were interested in seeing a play at Hale's Theater in Gilbert. It is only an hour drive from Payson with free parking and 4 - 5 restaurants within 3 blocks. At least  $\frac{1}{2}$  the members present were interested in attending.
- Every Thursday at 8 am any Lady in the Club can join us at Bosa Donuts (on 87) for fun, friendship, and laughter. You do not have to buy a donut, just come and enjoy the camaraderie!
- Mike's Fish and Chips this Friday, 4:30.
- Mary raffled 16 gifts left over from the car show's Hospitality Booth.

### Old Business

Larry Bertram shared a 'thank you' card from the Payson Senior Center expressing their appreciation for the Christmas gift bags the members assembled for the

"Meals on Wheels" seniors. A couple of other members also added how fun it was to deliver the bags and how appreciative the seniors were to receive them.

### New Business

The Club has \$16,000 to donate to area charities (\$1,000 each) from the proceeds of our October car show.

Several people from our nominated list of charities spoke on behalf of their charity. These charities were;

- Pine/Strawberry Food Bank, Pine Strawberry Senior Citizens Affairs Found, Payson Helping Payson, Payson Friends and Neighbors Club, Veterans Helping Veterans, Friends of Payson Library, Mogollon Valley Pit Program Blattner Brush Pit, and Payson Area Food Drive.
- A member spoke about Dueker Ranch not upholding their 501c3 status by not offering any therapy since the beginning of 2021. They use the money donated to feed their 11 horses and other animals. This club member was also a victim of their fraudulent practices.
- Ballots to vote on 16 out of the 20 charities listed were distributed and then collected.

### 50/50

John Z. won \$30 of the \$60 collected.

Happy Birthday was sung to all the December and January birthdays.

How about a Laugh with Larry Bertram.

Meeting was adjourned with a motion, second, and approval at 7:50 pm .
