RIM COUNTRY CLASSIC AUTO CLUB

**RCCAC P.O. Box 2853  
Payson, AZ 85547**

**Meeting Minutes can be reviewed on the clubs website:**

**[rimcountryclassicautoclub.com](http://rimcountryclassicautoclub.com)**

**Past newsletters can also be viewed and printed from the website.**

## BEHIND THE WHEEL

**PRESIDENT Paul Renaud**

Well the summer is here and the monsoon season is upon us. Happy for the rain!

July is upon us and all the campers are rushing up to get to where they are going to have a fun and relaxing time in our paradise.

The clubs Newsletter is back but in Quarterly format, 3 months at a time. Margie is still busy working for the cruise line and this makes it easier for her to continue to do the newsletter. *She will NOT be able to get newsletters printed for members anymore.*

Hard to believe how time flies, but we have had some fun activities. More to come in the next 3 months, they will be posted in the newsletter on page #2 as well as Mary sending out updates and reminders in the clubs email Quickies.

July 9<sup>th</sup> is car appreciation day where we will be at Culvers, also this month Saturday, July 16<sup>th</sup>, we get to see the 2011 movie, "Deuce of Spades" at the movie theater. See page 2 for upcoming activities. Tires and Tacos July 16<sup>th</sup> at Jack in the Box and I want everyone to do what they can to show up even local Payson hotrodders. The last Tires and Tacos we had 6 cars there probably due to the weather, I was kind of discouraged people. Let's do better!

Gary Allen is working on the car show stuff and we still need a hospitality chairman to run this area. Please contact Gary if you are interested. Without a hospitality chairman, this could jeopardize the car show. Leanne at Black and Tan sold her business but will continue to support the car show with another great design for the show. See page #2 for design on a military green T-shirt.

Just a reminder that we have a club meeting at Tinys July 6<sup>th</sup> August 3<sup>rd</sup> and September 7<sup>th</sup> at 6:30. Think 3 months ahead.

2 free tacos and a small drink for showing up with your classic

# FROM THE GLOVEBOX

## Upcoming Activities

### JULY

**Saturday, July 9th**, is "Annual SEMA National Car Appreciation Day". We will caravan to Culvers Restaurant on 260 for a late lunch / early dinner. Let's meet in the AutoZone's parking lot at 1:30 and parade our beautiful classics to Culvers. Anyone who orders a 'meal' from the menu will get a free sundae! **WEAR YOUR NAME BADGE!** No RSVP is needed, just show up at AutoZone and we'll drive over together.

**Saturday, July 16th**, we get to see the 2011 movie, "Deuce of Spades", at the Sawmill Theater at 10:30 am. This is a Faith Granger directed show about a hot rod girl who finds a mysterious letter dating back to the 50s hidden in her barn find roadster. She's on a quest to find out who wrote this letter ... lots of racing and intrigue.

We have one of the theaters for us for this movie and they are opening the theater early just for us. Please invite your family, friends and neighbors so we can fill the theater. The cost of the show is \$7 each, which includes the movie, a small popcorn, and small drink. No RSVP is needed.

Tim and Rebecca Deegan are organizing this event.

### AUGUST

**Tuesday August 9th**, Bandits in Strawberry at 1:pm. This is an all you can eat tacos, rice , beans , chips and salsa. \$12.00 ea.

**RSVP** to Mary Cailey 630-878-4104 so Bandits will know how many to prepare for.

For the Payson members meet at Quality Inn parking lot on the 87 @ 12:30. Departing at 12:40. Ken & Bev Tozi are organizing this event.

### SEPTEMBER

Tom & Dottie Gossard will organize September's activity, more info to follow.

## The Heat Affects your Vehicle

When it heats up outside, not only can it affect you, but the vehicle can be affected as well. You can help to take proper precautions during the hot summer months in order to keep your vehicle in the best condition. With extreme hot temperatures, this can damage the rubber for the tires. This is especially true if the tires are improperly inflated. They can dry out because of the heat, increasing the chance of a blowout happening. Also make sure that the tires are not over inflated. This can cause the tire to wear out faster than it otherwise should. Always check the air pressure to make sure that the tires are properly inflated.

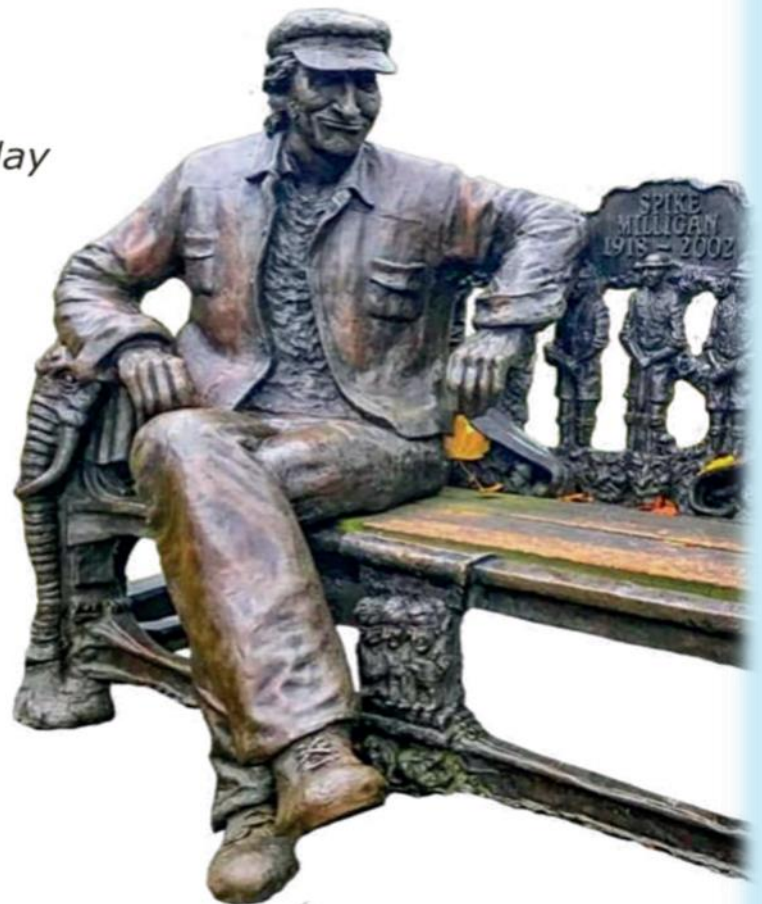

### Heat and the Oil

Another part to worry about in the summer is the oil for the vehicle. If the engine is hot, it will need proper lubrication to keep the engine operating efficiently. Remember that following the recommended oil change schedule will decrease the chance of the engine seizing up. If you are not sure the oil change schedule, rule of thumb is about every 5000 miles or once a year. Depending how often you drive and mileage, will determine when the oil should be changed for the vehicle.

Another thing to check to ensure the engine can work properly is the coolant. Without the proper coolant levels, the summer heat can cause issues to the engine. Having the radiator and hoses inspected should also be done. If they are damaged, a coolant leak could happen. This will cause the engine temperature to rise even further. When driving in the summer, always be aware of the temperature gage for the vehicle. If it starts to increase, make sure to turn off the vehicle to allow it to cool down. Notice if the vehicle constantly overheats and if this is the case, you will want to have it inspected and get it repaired. Stay cool this summer for you and your car!

## Smiling is Infectious

*Smiling is infectious  
You catch it like the flu.  
When someone smiled at me today  
I started smiling too.  
I passed around the corner  
and someone saw my grin.  
When he smiled I realised  
I'd passed it on to him.  
I thought about that smile  
then realised it's worth.  
A single smile just like mine  
could travel around the Earth.  
So if you feel a smile begin,  
don't leave it undetected.  
Let's start an epidemic quick  
and get the world infected!*

**Spike Milligan**

# Car Shows Coming-up in AZ
