RIM COUNTRY CLASSIC AUTO CLUB

RCCAC P.O. Box 2853 Payson, AZ 85547

Meeting Minutes can be reviewed on the clubs website:

[rimcountryclassicautoclub.com](http://rimcountryclassicautoclub.com)

Past newsletters can also be viewed and printed from the website.

## BEHIND THE WHEEL

PRESIDENT Paul Renaud

Well, It's been a long cold, and wet winter as you all have experienced this year, I can't wait for some warm weather.

This last month has been difficult for a couple of our members and their family. Tom Gossard had a stroke and from what I understand is in a rehab in the valley going through physical therapy.

Steve Fowler found out he has bone marrow cancer and will be required to have blood transfusions for probably the rest of his life. Unless they can get the bone marrow to kick in and start making blood cells and platelets again. He also has a

fracture in his spine and this Monday AM is having a procedure they hope will take away the pain he is suffering with. He has been in and out of the Mayo Clinic Hospital several times since the first of February. This prompted me to organize a blood drive not only for Steve but the blood banks are always in need of blood. I will be requesting all of you who can, to donate blood and anyone you know to donate. May 27<sup>th</sup> at the Mt Cross Lutheran Church from 10:00 to 2:00 in the parking lot. Look for updates on Quickies as I get more details. Pray for these members.

Saint Patty's day lunch went very well with about 30 members attending the event. The people at Kohls Ranch do a good job taking care of us. Getting there was a challenge dodging all the potholes.

**How to Prepare for Donation:**

NOTE: Per CDC guidelines, masks are now optional.

Drink lots of water – hydrate, hydrate, hydrate

Eat a healthy meal (do not fast)

Bring your photo ID that shows first and last names

Day of donation, donors may visit <https://vitalant.org/Previous-Content/Tools-Activities/Fast-Track-Health-History-Questionnaire> to take their health history prior to donating. Medication deferrals may be found here and accessed anytime.

#1 deferral for women is low Iron. If possible, take your multi-vitamins and each iron enriched foods to prepare for your donation.

Hi all. Well, we had our first car show meeting for the 2023 Bee Line car show a few days ago. It was a little "brisk" out there in Green Valley Park, but we had nine hardy club members show up and we had a very good exchange of information from all in attendance.

I kicked the meeting off by reading a Memorandum put forth by the club on August 1, 2011 titled "Duties of the RCCAC Beeline Car Show Chairperson(S) and Sub-Committee Chairs". I thought it would be a good way to get the show Chairman, the show committee chairs, and the club members at large in the right frame of mind for the up-coming show. It was a good reminder to us all that for our club to have a successful show, it has to have TOTAL club member commitment and support.

Deb Schwalm has designed two beautiful Logo's for this 30th year. We will be voting on which one you like best set on a blue T-shirt background. See the two designs below and come this Wednesday to vote on your choice to be used for the shirts and media.

I proposed that for every show committee chair, we have a co-chair person to: 1. assist the chair person with his duties. 2. fill in for that person in his/her absence. 3. Ease the clubs member transition for next years show by getting more members involved. We are not getting any younger and recent events should be pointing us in this direction.

With this in mind, I will be asking many of you to "step up to the plate" for YOUR car show this year. Although the show is still 7 months off, at this time we have many committee chair, co-chair, and committee helper positions open. This is your club and your show, and as a club member, please consider signing up to be part of this years **30th anniversary show**.

It's not too early! Together, we can make it an awesome show.

Thanks, John Cailey
