## BEHIND THE WHEEL

**PRESIDENT**  
**Paul Renaud**

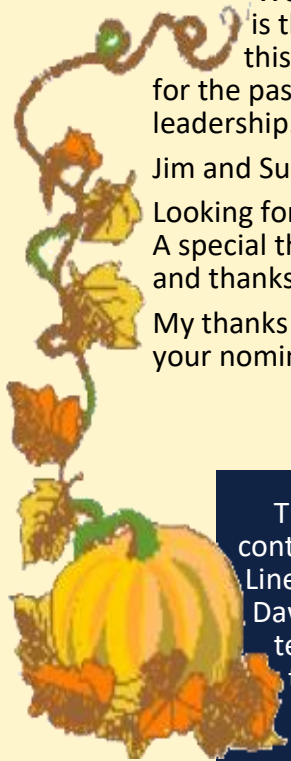

Well, this is my last presidential message being this is the last newsletter that Margie will be putting out this year. I have enjoyed being your fearless leader for the past 3 years and I look forward to seeing our new leadership.

Jim and Sue Lewin put on a fabulous fall BBQ that everyone enjoyed.

Looking forward to our car show October 13 & 14 and I'm sure it will go well. A special thanks to John Cailey for stepping up to ramrod this important event and thanks to all the people doing their part.

My thanks to everyone supporting me as your President! Don't forget to put your nominations in for the officers you want to represent the club in 2024.

**Plan to join us at the Clubs Membership Meeting on the first Wednesday of the month at Tiny's Restaurant @ 6:30.**

This will be my last newsletter! I am not able to continue to do it any longer as Norwegian Cruise Line is going to keep me busy until my sewing partner Dawna and I can't do it anymore. I am happy to share and teach someone for the January issue only. If no one steps up to take this over then we won't have a club newsletter.

I have enjoyed my 12 plus years of doing the newsletter and thank you all for your love and support.

Margie Fowler

**BEELINE CRUISE-IN REPORT**

To coin an old military phrase; " 30 days and a duffle bag drag". That is the time we have left, when I wrote this report. We will have 12 days when this newsletter comes out before the car show this year.

We have one more car show meeting to finish tying up the loose ends and it's "Show Time". We just finished with our 5th show meeting a few days ago and, along with a lively discussion, we decided to make a few show car parking changes due to a low registration count.

This year, all show cars will be parking in the park bowl area and the asphalt area adjacent to the bowl. *Make sure you have your show number plaque in the window of your car so Bobbi knows where to send you for our club parking.* Normal club car parking by the museum will now become public parking and the area where we have had our food court will become ADA parking. The new food court location will be on the grass area just south of the hospitality booth.

Mary Cailey and Kaitlin Henning from Parks & Rec have been working diligently on acquiring non-food vendors and we should end up with 20 plus non-food vendors for the show. Bring money!!

The Sponsor program ended today (September 15th) and Bill, Phil, Bruce, and the Tozi's did a great job. 68 Sponsors for our show will bring some smiling faces to 501C3 organizations this year.

Carl, Larry, and Steve have got the Friday night burger burn ready to rock, and John Z has got the parade route mapped out with PD for a minimum amount of traffic inconvenience. John said NO BURNOUTS please.

It's been "every bite a delight" working with the town and the park district this year to put together our "joint venture". And as always, thanks for the support and hard work from all our club members that make our show so special! It has been awe inspiring.

Thank you, Thank you, Thank you! Your show chairman for 2023 John OUR 30th!!!

***If you haven't signed up to help with the show yet and want to serve. Give one of our day of Chairpersons a call to see if they could use some help with set up or any kind of help during the day!***

- Friday Burger Burn- Carl Curtis 928-951-2050
