Final countdown days... all will work out, says John

❖ Registration is now at 177; 54 club members & 117 non-members; 151 registrants

bought tickets to the burger burn.

- ❖ Since the numbers are below 200, all participants (club and non-club members) will be parking within the barricades around the bowl; the posts will be out of the sidewalks on Friday and the sprinklers are to be off those days (fingers crossed).
- ❖ A special section close to the Veterans Memorial for the club members. Make sure to have your registration showing in the window to get put with the club; Paul Jones is directing club parking and remember that lots of us do not know everyone. 😊
- ❖ Food vendors placement is hashed out; a request was made to get at least one breakfast/coffee vendor for Saturday morning.
- ❖ Carl needs to know how many sponsors/vendors are going to use their burger burn tickets to have enough food prepared.
- ❖ Three dealerships are bringing some new cars to the show; John discussed what COPO cars were to introduce the 2023 Camaro that Choice Auto would be bringing.
- ❖ The map for the cruise is forthcoming; this year's cruise with Dotty's approval will be named the **Tom Gossard Memorial Cruise**.
- ❖ Voting ballots will be at the hospitality booth.
- ❖ Gary will pass out the trophies.
- ❖ Thank you plaques for the sponsors/vendors; Margie asked for help assembling them and getting them out (an email on the date...10th? Is forthcoming); while passing them out might be a good time to pin down numbers for the burger burn.
