Car Show 2023 Report: John Cailey

John's recap/debrief

- ❖ Comments on judging
 - 4 people were judging best of show
 - Some negative feedback from the survey for one car getting 3 awards (the commenters said 4)
 - John likes that there was no manipulation as done in previous years
 - Mopar best of issue was a result of problems with wrong number coded to wrong car
 - The option of having class awards instead of parts may be a better option going forward
- ❖ Everything else seemed to go well
- ❖ Some issues/concerns with walking needed to be done in judging; highlighted by T. Smith's resulting health concerns.
