MONTHLY MEETING MINUTES
June 5, 2024

-
- They may want to print some entry forms to take and hand out if someone expresses an interest.
- A member is needed to serve on the Sponsor Committee to handle the Pine/Strawberry area. Payson help is also needed to cover the Northeast Quadrant
- **Info from the President – Mary Cailey**
 - Mary read several excerpts from the book “Women Behind the Wheel” by Nancy A. Nichols. Promotions from the auto industry to attract more females was the subject
 - Mary spoke of her issues trying to obtain Home and Car Insurance this year. Many Insurers have withdrawn from Payson due to the fire danger.
 - Mike Escott took out an ad in the “Roundup” newspaper to thank all the participants and help for the Coury Ford Cruise In.
 - Mary shared that the 911 emergency number may work even if your phone has no bars showing. Regulations require that all 911 calls must be sent to the nearest signal tower
- **Old Business From the Floor – Mary Cailey**
 - A thank you note was received from the Humane Society and from New Beginnings
- **New Business from the Floor**
 - John Zillich is encouraging all members to attend forums for Candidates to see where they stand on issues facing Payson
 - Helen Hickson wanted to remind members that rats and mice eat car wires and precautions should be considered. LED blinking lights are supposed to work
- **50/50**
 - Ken Michael won the \$35 pot
- **Time for a Laugh/Fun Facts**
 - Mary Cailey shared a joke about a Mechanic and a Cardiologist
 - Larry Betram shared news of exciting new tire specification changes and then revealed the article was from 1966
 - Ken Michael had a trivia question about the only part that has been on every auto since 1902. That part is the valve that goes into every tire tube to help fill tires.
 - Mary Wolf shared trivia. The first windshield and windshield patent holder was Mary Anderson in 1903 after observing trolleys without windshields. Tupperware was originally made for military use. Young ladies were used to make matchstick ends in the early days. The chemical used contained radioactive poison
 - Larry Betram explained the difference between a mechanic’s baseball cap and a regular baseball cap. The mechanic’s cap does not have a button on top
- **Adjournment**
 - John Zillich motioned to adjourn at 7:18 pm. Seconded and passed

Addendum –

A “RCCAC QUICKIE” was sent out by President Mary Cailey, on June 12, concerning the By-Laws. She attached a copy of them and asked that all members read them and let her know if they find any errors that need correcting.
